

Please Support JASC on Giving Tuesday

As the holiday season approaches, we are filled with gratitude for the incredible support and solidarity we've received throughout the year. Today, we are reaching out with a special request that has the power to make a lasting impact on the lives of our community members. In honor of Giving Tuesday, we invite you to join hands with us in our mission to strengthen the Japanese American community.

For over 75 years, JASC has been at the forefront of supporting and preserving Japanese American culture, heritage, and community. We have provided essential services, educational programs, and cultural events to foster unity and create opportunities for future generations. Here are just a few reasons to consider supporting JASC:

- **Education:** We offer educational programs such as Tampopo Kai and Donguri Kai to help young Japanese Americans connect with their heritage and learn about their cultural history.
- **Community Services:** JASC provides vital senior care services such as Adult Day Services and Home Support Services as well as scholarships to youth applying to college that directly impact the lives of families.
- **Cultural Preservation:** Our cultural events and the Legacy Center help preserve and promote Japanese American traditions and history for future generations. Some of our events include yearly Kagami-Biraki and Day of Remembrance events, Ikebana and Calligraphy workshops, and Cooking classes. The Legacy Center is a community-based archive specializing in Japanese American history that is available to the public.
- **Unity and Inclusion:** JASC serves as a hub for the Japanese American community, promoting unity, diversity, and inclusivity.
